

Medicaid Incentives

- Eligible Providers (EPs) are those that see 30% Medicaid, Medicaid HMO or uninsured patients over any 90 day period during the year.
- Pediatricians must see 20% Medicaid, Medicaid HMO or uninsured patients.
- To qualify for the first payment, an EP must implement, upgrade or acquire an EHR.
- Payout occurs over 6 years with the last payment year being 2021.
- EPs can receive entire incentive payment even if they don't implement a system until 2016.
